## America's Most Convenient and Reliable Airline

Since taking flight on April 28, 2021, as America's first new commercial scheduled airline in almost 15 years, Avelo has flown more than 10 million Customers on almost 80,000 flights. Avelo presently serves 37 destinations spanning 15 states and two Puerto Rican destinations: Aguadilla and San Juan.

Avelo has successfully ushered in a new era of convenience, choice and competition by using smaller, less crowded airports in large metro areas, offering travelers a closer airport to start their trip, as well as savings in parking and other costs, in addition to Avelo's everyday low fares on nonstop flights.

On Avelo, Customers can choose to pay for what they value. Avelo offers a variety of seating options including our Stretch+ seats with extra legroom (34 inches +) and a blocked middle seat. Families can travel more with less cost and anxiety knowing children 14 and under will be automatically seated with an accompanying adult for no additional cost.

Customers can also choose to enroll in Avelo PLUS, a wildly popular membership program which offers exclusive benefits including immediate discounted fares, free priority boarding, and access to private fare sales. These benefits can be enjoyed by up to nine others traveling on a member's itinerary – making it ideal for families or groups of friends traveling together.

Avelo recently launched the Avelo Airlines World Elite Mastercard, that gives cardholders Avelo Cash back on purchases, and when used to purchase travel on Avelo, gives the cardholder instant perks including a free carry-on bag, priority boarding, and the ability to secure a Standard seat for no added cost. As with Avelo PLUS, these perks are enjoyed by everyone on the cardholder's reservation.

## About Avelo Airlines

Avelo Airlines' purpose is to *Inspire Travel* by saving travelers time and money. The airline offers Customers service from small convenient airports and everyday low fares. Avelo stands out as one of the leading U.S. airlines in on-time performance and reliability, reported by Anuvu a third-party data platform. The airline has a growing fleet of 16 Boeing Next Generation 737 aircraft. In 2028, Avelo will be the first US airline to fly the Embraer 195-E2 aircraft, a new, mainline jet aircraft with 140 seats in a 2 x 2 configuration where no one ever has a middle seat. Avelo placed an order for up to 100 Embraer E195-E2s in September 2025. Avelo serves 37 popular destinations across the United States, including its bases at Southern Connecticut's Tweed-New Haven Airport (HVN), the Philadelphia / Delaware Valley's Wilmington Airport (ILG), Central Florida's Lakeland International Airport (LAL), Charlotte's Concord-Padgett Regional Airport (USA) and, in November 2026, Collin County's McKinney National Airport (DTX).
